Docket No.

98-N-1265

Food and Drug

Administration

5600

Fishers Lane

Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the
FDA. In particular, I OBJECT to the definition of
"inordinate amount" which restricts the availability and the right to obtain
medically necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from
specialized compounding pharmacies.
